

**Extracurricular Programs
Behavior Policy and Discipline Procedures
Updated: July 2022**

BFIS is committed to providing a safe, positive, and structured environment for all children in the after-school program. Activities in the after-school program are different than the regular school day in that they meet infrequently (usually once a week for one hour). To make the most out of that limited time we need all students to follow appropriate behavior from the first day. This allows us to maintain the quality and safety of every activity for all of our participating students.

Please review the following general rules and disciplinary consequences that will guide the program. It is imperative that students and parents and staff understand the expectations of the program as well as the potential consequences. We ask that you discuss the information listed below with your child. We appreciate your efforts and thank you for continued support in making appropriate behavior a priority for all children.

General rules:

1. Follow BFIS behavior expectations
2. Show respect to teachers/coaches and fellow students at all times and always use respectful language when addressing staff and students.
3. Stay with your activity at all times and move appropriately throughout campus during after-school hours.
4. Always follow instructions set forth by after-school teachers or coaches for each activity.
5. Demonstrate responsible care of school property and equipment.
6. No disruptive behavior, including fighting, violence of any kind, or inappropriate language.
7. Comply with any and all other regulations set forth by teachers, coaches and school administrators.
